

Access to Personal Files

Employee files are maintained by the HR department and are considered confidential. Managers and supervisors may only have access to personnel file information on a need-to-know basis. Employees may inspect their own personnel files and may copy them but may not remove documents from their file. Inspections by employees must be requested in writing to the HR department and will be scheduled at a mutually convenient time or as required under state law. Personnel files are to be reviewed in the HR department. Representatives of government or law enforcement agencies, in the course of their duties, may be allowed access to file information.
