

Commitment to Safety

Protecting the safety of our employees and visitors is the most important aspect of running our business. All employees have the opportunity and responsibility to contribute to a safe work environment by using common sense rules and safe practices and by notifying management when any health or safety issues are present. All employees are encouraged to partner with management to ensure maximum safety for all.

In the event of an emergency, notify the appropriate emergency personnel by dialing 911 to activate the medical emergency services and law enforcement.

Any workplace injury, accident, or illness must be reported to the employee's supervisor as soon as possible, regardless of the severity of the injury or accident.
