

Dress and Grooming

Goodwind Development Corporation provides a casual yet professional work environment for its employees. Even though the dress code is casual, it is important to project a professional image to our customers, visitors, and coworkers. All employees are expected to dress in a manner consistent with good hygiene, safety, and good taste. Please use common sense.

Certain employees may be required to meet special dress and grooming, such as wearing uniforms or safety equipment/clothing, depending on the nature of their job. Any questions or complaints regarding the appropriateness of attire should be directed to the HR department. Decisions regarding attire will be made by the HR department and not by individual departments or managers.
