

Military Leave

Goodwind Development Corporation supports the military obligations of all employees and grants leaves for uniformed service in accordance with applicable federal and state laws. Any employee who needs time off for uniformed service should immediately notify the HR department and the employee's supervisor, who will provide details regarding the leave. If an employee is unable to provide notice before leaving for uniformed service, a family member should notify the supervisor as soon as possible.

Upon return from military leave, employees will be granted the same seniority, pay, and benefits as if they had worked continuously. Failure to report for work within the prescribed time after completion of military service will be considered a voluntary termination.

All employees who enter military service may accumulate a total absence of 5 years and still retain employment rights.
